

Parking is Limited to 22 Spaces at the Bicester Health Centre

Many surgeries now have no parking facilities at all, or only disabled parking.

On average the Health Centre alone offers 200 appointments a day, but we have only 22 parking spaces, shared with the Julier Centre, dental surgery and the “Emergency Access Hub” which we host from our premises.

PLEASE DO NOT PARK AT THE SURGERY DURING BUSY MORNING TIMES 8:30 – 1:00 UNLESS THERE IS NO ALTERNATIVE.

Join our Patient Participation Group (PPG)

Share the patient view with the practice

Sign up on the practice website www.bicesterhc.co.uk via the “sign up for our patient group” link

or

pick up a leaflet at the PPG information stand in the front waiting area.

Parking Problems?

Transport options to get to the Bicester Health Centre

This leaflet is one of the projects by the Bicester Health Centre Patient Participation Group to help practice and patients. Each GP practice in England has a Patient Participation Group which you can join.

Edition 2: July 2019

We ask patients not to use cars, but to use alternate ways to get to the Health Centre. We have listed the preferred options.

PLEASE NOTE:

Parking outside the Health Centre is for persons while on the premises only.

Move your vehicle after leaving the Centre. Parking controls are maintained by a contractor and penalty charges may be applied if vehicles are parked inappropriately.

Bicester Health Centre patients should not use the Montgomery House Surgery Car Park.

Walk – the Healthy Way

If you live nearby or have made your way to Bicester for shopping, then please walk if you are able to.

Bike – the Healthy Way

The Health Centre has bike racks outside the main entrance.

By Bus

Nearest Stops (same name both directions):

“Bicester Community Hospital, Kings End”.

See Live Bus Departures from <http://www.oxontime.com/>

Buses run every 15 minutes during surgery hours. (April 2018)

By Car

Please park elsewhere, leaving the small number of spaces for less able patients.

Option 1

Bicester Park and Ride car park at Kingsmere is free for 24 hours. Take the S5 bus to Community Hospital Bicester. The surgery is a 3 minute walk from the stop. Return fare £2.50 (July 2019), or use bus pass.

Option 2

If you are driving a less able patient, drop the person off, and park elsewhere. Arrange to pick them up as required.

Option 3

Cherwell Community and Volunteer Service offer an in-town Bicester driver service for £5 return for distances under 10 miles. Call 01295 266090. Give as much notice as possible, at least 3 working days.
